

WARNING

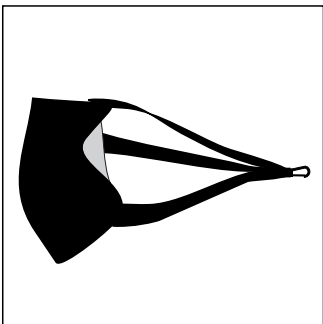

- Do not use Belt Trainer / Kick Trainer out of the water.
 - As with all swimming equipment, children should use only under adult supervision.
 - Do not dive into the water with Drag device on the tether as excessive force may be created on the belt or chute, causing damage to the unit and/or injury to user.
 - Product is warranted against defects in material and workmanship for 60 days from purchase date under intended usage.
- *- Only for belt trainer.

TO KEEP YOUR TRAINER IN PRIME CONDITION

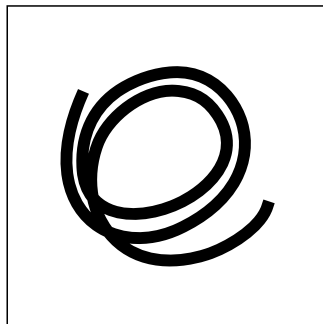

- Rinse with fresh water after each use.
- Store in dry place.
- Please check the trainer tube for scratch and mechanical defects before use.
- Please keep away from direct sunshine and avoid the contact with devices which can scratch or damage the tube.

SEPARATE PARTS

- Can buy additionally to improve your trainer.
